Department of PG Chemistry – Activities for 2016-17

Curricular Activities:

Guest lectures:

1.Guest lecture was organized on 11th Aug 2016 on "Career with Organic Chemistry". The resource person was Dr. Jagan Mohan Reddy, Dept of Organic Chemistry, Adikavi Nannayya University, RJD

2.Guest lecture was organized on 18th Mar 2017 on "Group theory". The resource person was Dr. K.Kiran Kumar, Dept of Chemistry, KBN College, Vijayawada.

Student papers:

- 1. Ch.D.S. Deepthi, G.S.V.L.Bhavani, S. Krishna Veni II MSc Organic Chemistry presented a paper on "**Human Causes Of Global Change**" in a Two day National seminar on "Environmental protection and Sustainable development: Issues and Challenges" at Sir CRR College, ELURU on 22nd & 23rd Sept 2016
- G Sirisha, B Prasuna, M Satya Bhama II MSc Organic Chemistry presented a paper on "Soil pollution " in a Two day National seminar on "Environmental protection and Sustainable development: Issues and Challenges" at Sir CRR College, ELURU on 22nd & 23rd Sept 2016
- G Sravani, S Snehalatha, V Nikhila II MSc Organic Chemistry presented a paper on "Water pollution " in a Two day National seminar on "Environmental protection and Sustainable development: Issues and Challenges" at Sir CRR College, ELURU on 22nd & 23rd Sept 2016

Seminars organized:

- Dr CA Jyothirmayee is in the organizing committee in IQAC Seminar organized on 18th and 19th Aug 2016
- Dr CA Jyothirmayee is in the organizing committee in National Seminar organized on 4th and 5th Jan 2017
- Workshop by STCIS ON 9th Jan 2017
- Centre for International studies started on 17th Jan 2017.

Tours:

II MSc Chemistry students went to Hyderabad for Industrial visit and visited NRSC and NFC on 29^{th} & 30^{th} of Nov 2016

Placements:

- > 11 Students got selected for Srichaitanya techno schools
- > 2 students got selected for Nalanda schools

Cocurricular activities:

Orientation progamme was organized for all the I year PG students by the Dept of Chemistry on 1st July 2016

> Board of studies meeting was held 10^{th} November 2016.

Memberships:

Dr. CA Jyothirmayee is :

1. Life member of the Indian council of Chemists, Agra. Life fellow No:1772

2. Life member of Coastal chemical research society, Visakhapatnam

Project:

DST Project report on "Analysis of drinking water sources in pedapadu mandal – 23 villages in three seasons" was submitted to Pedapadu MRO and awareness program was organized in Mandal praja parishad meeting on 19^{th} Jan 2017

Extracurricular activities:

Kekule club was inaugurated on 8th Sept 2016 and students presented papers on Ozone depletion - Tripura Tejswini and Satya vara Lakshmi Bhavani of II MSc Chemistry

- ➢ 30th Sept 2016 Chemistry our future
- ➢ 17th Oct 2016 Nanotechnology
- ➢ 21th Jan 2017 Renewable energy resources
- ➢ 9th Feb 2017 Importance of Chemistry

JKC classes:

➢ Final years attended JKC classes on every fri day at 2.20pm

First years attended communication skills class on fri day at 3.10pm
