ST. THERESA OF THE CHILD JESUS PATRONESS OF THE COLLEGE

St. Theresa is the patron saint of Ch.S.D. St. Theresa's College standing for the values of Love, Simplicity, Humility, Holiness and Happiness.

Born on 2nd January, 1873 in Alencon, France, Theresa with her golden hair was the apple of her parents' eyes. Her father Louis Martin and mother Zelig were proud of her accomplishments as she grew into a vibrant young woman. Her innate Love and Compassion steered her onto the course of service, shunning the material comforts of her life. She entered the cloistered and austere order of the Carmelite sisters to dedicate her life to spirituality and service. Her gentle ministries and dedicated services were short-lived as she was called to her Heavenly abode on 1st October 1896.

On 17th May, 1925, Pope Pious XI canonized Blessed Theresa of Child Jesus to be hitherto a saint of the Church of God. Today her image brightens many a humble village church and graces mighty cathedrals alike, world-wide. St. Theresa, to millions, is symbolic of simple acts of kindness leading to holiness and happiness. The institution has ingrained these core values of patron St. Theresa of Child Jesus in all its activities and dedicated itself to serving humanity with genuine love. Her virtuous and blessed personality adorned with the fragrance of **simplicity, service mindedness** and **humility** serves as a guiding principle for all Theresians. Her exemplary way of life stands as a master-piece displaying the beauty of virtuosity, the charm of genuine love for service and extraordinary faith in the Lord.

“There is no exercise better for the heart than reaching down and lifting people up”

HISTORY OF THE COLLEGE

St. Theresa's College for Women was founded by the sisters of St. Ann's Congregation who were dedicated to the cause of Women's education. The St. Ann's Congregation had its nascence in 1834 in Turin, Italy by a philanthropic and benevolent couple, Marquis Carlo and Marchioness Giulia of Borolo. The Founding father of the St. Ann's Congregation, instrumental in bringing to existence St. Theresa's College for Women, Marquis Carlo Tancredi Barolo, will be treasured forever in the repository of memories of this noble institution. A deep thinker with a philosophic bent of mind, the Marquis dedicated his life to educational enterprises. The divine instrument who carried out the pioneering venture of her husband, Marchioness Giulia was of noble lineage and dedicated her life to the cause of the poor and needy. Her commendable efforts to improve the lot of the prisoners, the wounded and the impoverished earned her the soubriquet of "Angel of Charity". In consonance with her dear husband's wishes, Marchioness Giulia founded the Institute of the Sisters of St. Ann, thereby, becoming a brilliant star that shines forever in the firmament of Theresians.

In 1871, six Italian sisters launched on a journey to India with a vision to spread God's abounding love to the poor and under-privileged children in India. These brave sisters had the noble aim of instructing the ignorant, healing the sick and comforting the afflicted. It was upon the behest of the immeasurable love and compassion of Mother Enrichetta, the then Superior General of the congregation, that these sisters reached Indian shores and set up a school in Secunderabad. A school in Eluru followed soon ushering in a landmark beginning of a new era in education of young girls in West Godavari District. St. Theresa's High School launched in 1938 proved to be a veritable boon to Elurians.
