REPORT 2022 – 2023

Extra Curricular & cocurricular activities assigned to the faculty in Department of Mathematics (2022--23)

Name	Designation	Activity Assigned
Ms.S.Nagadurga	Lecturer & HOD	Head of the Department Placement Member in REDC Member in Theresian Alumnae Association. Chair person,Boards of Studies of Mathematics
Mr.V.Gopinath	Lecturer	Placement member Member of Boards of Studies of Meeting Course and Co – Ordinator of Analytical Skills
Mrs.P.Poojitha	Lecturer	Member in Theresian Alumnae Association NSS Program Officer Mentor for analytical Skills
Mrs.G.Jyothi	Lecturer	Mentor for Analytical Skills
Mrs .P.Rajita	Lecturer	Mentor for analytical Skills
Mrs. K. Harika	Lecturer	Secretary of the Department Mentor for analytical Skills
Mrs. G. Kusuma	Lecturer	Mentor for analytical Skills
Mrs.R.Sravani	Lecturer	Mentor for Analytical Skills

JUNE

On 25th June 2022 , Mr.V.Gopinath attended on line (Google meet) Boards of Studies meeting as a Subject expert Organized by St.Joseph College for Women (A), Visakhapatnam through Google meet.

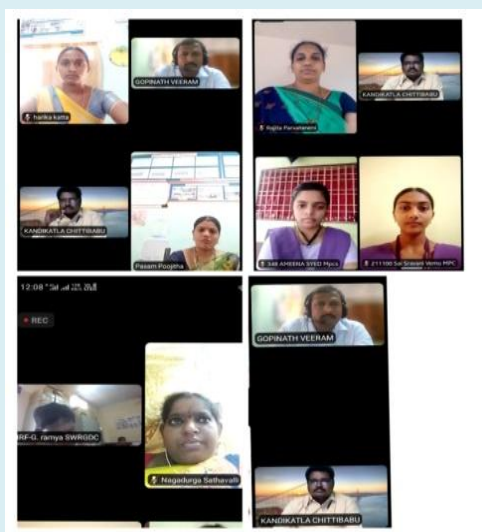

On the eve of National Statistics day (29-06-2022), the Department of Mathematics & Statistics conducted

- Poster presentation on “Applications of Statistics in various fields”
[Time 2.00pm]
- Essay writing on “Significance of National Statistics day”
[12.00pm to 1.00pm]

On 29th June 2022 11:00 a.m ,All the Departmental members were attended Workshop on “Intellectual Property Rights (IPRS) and IP Management for Start up Organized by IQAC & IIC.

On 18th June 2022 , Boards Of Studies Meeting Was conducted vartually PNV Prasada Rao Hod, Department Of Mathematics,SWR Govt Degree College (G) ,Vijayawada(university nominee). Sri Kandikatla Chittibabu ,Lecturer In Mathematics Govt Degree College, Ramachadrapuram Konasema District(Subject Expert) and all The Departmental Members Were Present For this Meeting.

During month of May 2022 Community Survey project was conducted on “ H₂O facilities during water availability “. 44 Students were actively participated data collected through questionnaire form (Google form).

In this project, they collected information from the household by using a questionnaire which contains questions like,

Which source of water is available in the locality?

How many hours they get water daily?

Do they pay for water?

Which source of drinking water do household use?

Etc.

After collecting the data they discussed and analysed the data by using pie charts, bar graphs, line graphs. Students also conducted awareness programs in their locality about the scarcity of water and suggested some tips to save water resources. On 22-06-2022 In this

project, students also conducted awareness program in their respective areas about the methods for purifying water and created awareness on conservation of water resources. And they explained how to utilize the water resources.

They explained about how water plays an important role in our daily life. By doing this survey they came to know that most of the households are drinking mineral water. They suggested them some water purification methods which will help them to purify the water at home and preventive measures to control water born diseases.

By doing this project, students came to know about the various water sources and availability in their area. They understood the problem of the households encountered in fetching drinking water.

By doing this survey students gain practical knowledge and they learn how to interact with the people.

Mr.V.Gopinath attended as External member CSP VIVA .VOCE for Computer Science department students. About 75 students were submitted their CSP project.

Mr .V. Gopinath from Department of Mathematics and Statistics has participated in one week FDP on Intellectual Property Rights emerging issues and challenges online organised by Research and Development, Krishna University ,Machilipatnam from 20th June 2020 to 24th June 2022.

On 21st June 2022, Mrs. P.Poojitha, Lecturer in Mathematics participated in the virtual celebrations of “International Yoga Day” as NSS Program officer.

JULY

CSP: On 5th July 2022

From different groups about 95 students divided into group each consisting four members and conducted survey on the topic water facilities and drinking water availability in their respective areas and took details from the household according to their project .This project was conducted during the month of May 2022.In this project they collected the information about the water facility in their respected areas.

In this project, they collected information from the household by using a questionnaire which contains questions like,

Which source of water is available in the locality?

How many hours they get water daily?

They understood the problem of the households encountered in fetching drinking water.

In this project, students also conducted awareness program in their respective areas about the methods for purifying water and created awareness on conservation of water resources .

By doing this survey students gain practical knowledge and they learn how to interact with thepeople.

On 5th July 2022 to all the department members were actively participated in the College foundation day celebration organised by Department of Home Science.

On 13th and 14th July 2022 all the members of the Department of Mathematics and Statistics were attended a seminar on “Innovation ensuring quality Institution of Higher Education located in rural areas “ Association with IQAC Cluster India organized by Shree Chanakya Education Society's Indira College of Engineering and Management.

On 25th July 2022 ,Mrs.P.Poojitha as NSS Programme officer attended oneday training programme on Risk Communication and Community Engagement at Sri Vasavi Degree college ,Tadepalligudem organized by UNICEF ,Hyderabad .

The Department of Mathematics & Statistics joyfully celebrated the feast of St .Ann Under the guidance of Principal Dr.Sr.Mercy in the college Auditorium on 23rd July 2022 at 9 a.m. The students depicted the life of St. Ann through skit beautifully and variety of dance programs were put up in honour of Saint Ann and the sisters were honoured by all the staff club members and students by offering fruits and Sweets .

In this celebrations superior and correspondent Dr.sr.Marietta Pudota gave her blessings, Principal Dr.Sr.Mercy gave feast wishes to the students.Sr.Rajitha, Vice Principal ,Sr. Suseela, controller of Examinations, Sr.Innyasiamma, Office Superintendent,Heads of various departments ,faculty members and students were participated.

On 28th July 2022 All the members of the Department of Mathematics and Statistics were attended a webinar on “Acceleration incubation or opportunities for students and faculty Early-stage Entrepreneurship organized by Department of English in collaboration with IQAC.

Project Viva for final year students was conducted on 29th & 30th July 2022 Mrs .S. Naga Durga Head of the department of Mathematics, Mrs. G.Kusuma , lecturers in Department of Mathematics and Statistics and Mrs.N.Gayathri Devi and Mrs.K.Swarnalatha , lecturers in Department of Chemistry were examiners for the Viva.

AUGUST

The Department of Mathematics And Statistics Under The Guidance of Principal Dr.Sr.P.Mercy, Virtually Organised Webinar On “Innovative Themes And Career Opportunities In Mathematics And Statistics “On 24th August 2022 .

The Resource Person of this Webinar Was Mr.G.Chakravarthy HOD and A.O. Of Department Of Statistics P.B. Siddhartha College of Arts And Science Vijayawada.

He Emphasized on Significance of Innovative Problem Solving Skills Using Mathematics And Statistics Various Concepts And Its Applications in Queing Theory, Stock Analysis for Business And Production allocation Etc.

He also Explained How To Build Career in IIT, IISC, ISI Etc For Bachelor Degree Students. Regarding this he also Gave information About Various Exams Which Takes Place in 2023 at Different Universities.

He Also Discussed, How To Build Divergent thinking Skills? How to Overcome Fixation? and How to improve analogical Thinking.?

Innovation in Mathematics and its applications in Medicine, Energy, Quantum, AI, Transport and Agricultural Etc.

Mathematics is a Key to Creating New Technology's Products or Services , He Gave a Explanation for Innovation Cycle in The Simplest form It Starts with Identifying a Need And Aims to Develop Implement or Roll Out A New Service Or A New Product As Mathematicians, Start By Defining Problem And Work To Derive A Solution In Some Innovation Projects These Two Cycles Comes Together. He Gave Relation about Innovation And Mathematics - A First Step Is To Translate The " Innovation Question" Into A "Mathematical Problem". A Later Step Is Turning A "Mathematical Solution" Into An "Actual Innovation".

In this Session The Principal Dr.Sr.P.Mercy, Dr.K.Srilatha Professor In Physics And Electronics, Convener Mrs. S. Nagadurga HOD and Members of The Department of Mathematics and Statistics were Participated. About 200 III Bsc Students Were Benefited through This Program.

SEPTEMBER

On 17th and 18th September 2022 all the members of the Department of Mathematics and Statistics Attended Seminar on Eco-Spirituality Organized by “Education care Group Committee “ Providence of the Immaculate conception ,Eastern India .

Department of Applied Sciences in Association with Institutions Innovation Council & IQAC ,Organized A Guest talk on “Ayurveda the Science of Life “ On 26th September 2022. All the members of the Department of Mathematics and Statistics were actively participated in this Guest talk .

OCTOBER

On 15th October 2022 at 10:00 am , all the members of the Department of Mathematics and Statistics were actively participated in 33rd Graduation day .The chief guest of this graduation day was Prof.M.Jagannadha Rao , Vice chancellor ,Adikavi Nannayya University Rajamahendravaram. As a part of Graduation day various duties were allotted to members of the department and they performed the duties energetically.

All the Department members were actively participated in celebrations of innovation day organized by Department of Telugu & Hindi in collaboration with IQAC ,on Remembering the “Missile man of india” ,former president & Bharatratna Dr.A.P.J.Abdul kalam.

On 22nd October 2022 , Mrs.G.Kusuma lecturer in Statistics from the Department of Mathematics and Statistics Attended “ Investor awareness Program “ Organized by the Department of Commerce.

Mrs. G.Jyothi , Mrs .P.Rajita , Mrs.K.Harika ,Mrs.R.Sravani from the Department of Mathematics and Statistics were Attended A workshop on”Modern Tools in Evaluation And Assessment “for below 10 years a Teaching experience faculty on 21st October 2022 at 2:00 to 4:00 pm ,Organized by the Department of English and T-TIPS Under the Auspices of IQAC

Members of Mathematics Association knowledge conducted a program on 21st october 2022 for all Second year students . The program started with a small prayer. Mathematics club

(KNOWLEDGE) activity was conducted on 21st october 2022 . As a part of it, student of final year M.P .Computers Ms.Ameena gave a Power point Presentation about the “Aryabhata” . About 145 students were present and gained knowledge through this program. The program come to end with wishes from Mr.V.Gopinath , from Department of Mathematics and Statistics.

NOVEMBER

Members of the Department of Mathematics and Statistics Actively Participated in “Theresian Mission Fete “ on 12th November 2022, Organized by Sisters ,Staff & Students ,Ch.S.D.St.Theresa’s College for (A) Eluru .

Members of Mathematics Association KNOWLEDGE conducted a program on 18th November 2022 for all Second year students . The program started with a small prayer. As a part of it, student of Second year M.P .Computers Ms. P.Vijaya Pallavi gave Power point Presentation on “Importance of Vedic Mathematics” . About 145 students were present and gained knowledge through this program. The program come to end with wishes from Mr.V.Gopinath , from Department of Mathematics and Statistics.

The Department of Mathematics & Statistics in the College arranged Guest Lecture on “Importance of Mathematics in Society ” on 18th November 2022. With the Target group as IIIB.sc (MPC -I,MPC-II,MPCOMP,MECOMP,MCCOMP & MSCOMP). The Resource Person was Mr.K.Narasimha Murthy , Associate Professor , Department of Mathematics , B.V.KCollege ,Visakhapatnam ,Andhra University .

All the Department Members were Actively participated in 73rd Constitution Day Celebrations Organized by the Department of Social Sciences

DECEMBER

From the Department of Mathematics and Statistics, Mrs.G.Jyothi , Mrs. M.Durga Devi , Mrs. P.Rajita , Mrs.K.Harika, Mrs.G.Kusuma, Mrs. R.Sravani attended “FACULTY DEVELOPMENT PROGRAMME” Organized by T-Tips Committee From 5th December 2022 to 7th December 2022 for Junior Faculty.

All members of the Department of Mathematics & Statistics joyfully attended the Virtual Alumnae meet on 10th December 2022 in Media Centre. The meet became very colorful and cheerful with the affectionate get together of all the Theresian family members. All the members felt very happy as they met their dear ones. They shared their sweet memories with one another and recollected the strong bond with the prestigious institution.

On the eve of 135th Birth Anniversary of great Indian Mathematician Srinivasa Ramanujan on 22nd December. Department of Mathematics Organized National Mathematics Day Celebrations from 19th to 22nd December 2022. As a part of it, Various Competitions were conducted for all the students such as Poster Presentation, Essay Writing , Elecution, Rangoli and Quiz .

- On 19th December 2022 online quiz was conducted on the topic “Arthematic Ability and Quantitative Aptitude” . About 324 members were participated and received the online certificates.
- On 20th December 2022 , Elocution competition was conducted on the topic “I choose Mathematics because...” from 11:30 A.M to 1:00 PM . In this competition About 12 Students were participated and Dr.K.Swarna latha , Lecturer in chemistry , acts as a judge with Mrs.G.Jyothi , lecturer in Mathematics .

- On 20th December 2022 , Poster Presentation Competition was conducted on “ Real life applications of Mathematics” . About 25 Students were participated. Dr.M.Padmaja ,HOD ,Department of Home Science acts as a judge with Mrs.P.Rajita ,Lecturer in Mathematics.

- On 21st December 2022, Essay Writing Competition was conducted on “Life History and Inventions of Indian Mathematics” . about 25 Students were participated. Dr .M . Esther Kalyani , Lecturer in History with Mrs.P.Poojitha , lecturer in Mathematics.

- On 21st December 2022 , Rangoli competition was Conducted on “Related to Mathematics” . About 18 members were participated. Dr. Y.Neeraja , Lecturer in Microbiology acts as a Judge with Mrs.K.Harika , lecturer in Mathematics.

On 22nd December 2022 , Valedictory programme for National Mathematics Day is Organized.

The chief guest of this programme was K.Chalapathi Rao garu ,former HOD , Department of Mathematics ,Sir C R R College (A),Eluru . Mr.V.Gopinath Lecturer in Mathematics Introduced the chief Guest to the Gathering.The chief guest explained about the importance of Mathematics and discussed about the Matrices with the Birth date of Srinivasa Ramanujan.

In this programme Mathematics Association Secretary Ms.P.Pallavi explained about the significance of “Mathematical Association Knowledge”.

Aim & Objectives :

To provide the student an opportunity of listening to experts and teachers from other institutions.

It can be an agency to prepare and display mathematical illustrations to know how to relate the knowledge to activities of life.

We arrange field trips and film shows related to Mathematics Combinations.

To provide the opportunity to enhance leadership qualities and active participation in team work .

It can look after the Mathematical section of the college Magazine.

It cooperates with other association in the college for various functions .

As the need of Mathematics for intelligent Citizenship has enormously increasing and the level of Mathematical thinking and problem solving needed in the work place in many professional areas ranging from healthcare to graphic design.

The Department provides a platform for advanced Learners through CH.S.D.ST.THERESA'S Mathematical Association Namely "Knowledge" ,under which many activities take place in every Academic year Since 2004.
