As we are winding up the year 2019, just a flash back !!! **“The heart of education is the education of heart.”** The effort of every educator is to unlock the treasure of a student and **St. Theresa’s College** is an excellent example where everyone strives indefatigably for this. This Institution has been nurturing young minds in and around Eluru, for the past 66 years and manufacturing shining and bright gems.

Our students have the opportunity to take part in so many activities, special events and so on. The students love these events and they are such an important part of our college. It takes a community effort for these things to take place and we, joining hands "Make it Happen" besides academic excellence.

Principal’s Desk :

We are in the month of Joyous Celebrations. I could see smiles and happiness on everyone’s face. The reason behind this joyful atmosphere is the month December and this month reminds all of us the Great Feast of Christmas, the Birth of Christ. God became a human like anyone of us. Christmas means Emmanuel, God with us. He came down for us, to be with us, as a torch bearer for a Truthful Life. God is Truth and Truth is God. He said, He is the Way, the Truth and the Life. God made us clear that this human life should be lived perfectly in tune with the perfect God. If we follow the teachings of Christ and prove ourselves in our day to day living, that is the true Christmas. I wish you all Happy Christmas and meaningful Year ending!!!

- Dr. Sr. Marietta D'mello.
