March, 2023

The International Women's Day Was Celebrated In CH.S.D.ST.THERESA'S COLLEGE FOR WOMEN (A), ELURU on **9.3.2023** by the Centre for Women Studies in collaboration with the Departments of Telugu and Hindi and NSS. The Chief Guest for the celebration was Mrs. S. H. Deepti, an entrepreneur who runs a start up and is into e commerce. Also a team of doctors

from Ayushhospitals, Eluru also participated in the programme. As a part of the programme, the principal of the college Dr. Sr. Mercy wished the gathering and emphasized on the prerequisites of a successful woman. She mentioned that the real beauty of the woman lies in her acumen and her performance rather than in the outer appearance. She encouraged the students to build strong skills and abilities which will become their identity. She also added a note on how the college is providing various opportunities to empower women students.

- Soil transmitted helminths (STH) are a significant public health concern for India. Worms in children interfere with nutrient uptake, and can contribute to anaemia, malnourishment and impaired mental and physical development.
