

Annual Report of 2018-19

1. Academic Competition

To encourage students in their academics every year academic competition was conducted. Department of Computer Science conducted this competition on 27-07-2018. This competition will pick the best students who are good in their academics. This year we have conducted a competition on Drawing skills using Digital Pad. S.Prasanna of III B.Voc(WTM) got First Prize and M.Maju of II B.Voc got II prize.

2. Ward Extension

The III B.Voc (WTM) students extended their knowledge in VFX (Visual Effects) on Ward Extension day which was conducted on 09-08-2018. They created Meridaa Adventures Logo and prepared a vedio on Dinosaur for showing the visual effects.

3. Workshop

Three days' workshop was conducted on WordPress from 03-12-2018 to 05-12-2018. This workshop was conducted to gain the knowledge on current trend in website designing. Students designed many websites using the WordPress technology.

4. Huge Crib

Every year Crib was constructed as part of their education. This improves the practical knowledge of students. A huge crib was conducted on 21-12-2018 by the students of Web Technology and Multimedia. All the students from three years involved in this huge crib construction. They combined the best of different palace images into single image and constructed crib in that palace using thermacoal sheets.

5. Student Internships

To enhance practical knowledge in students, we made them to do internships in different companies as a subject in VI semester. Our students went to N&N Multimedia and Tech Yuva IT solutions in Eluru to complete their Internships.

6. Mother Enrichetta Feast

We organized Mother Enrichetta Feast on 21-02-2019. Mother Enrichetta was the co-founder of St.Anns Congregation. She only brought the sisters into India.
