Academic Calender:

The Academic Calendar is prepared by the calendar committee comprising the Principal, IQAC – Coordinator, Heads of departments taking into account the annual plans prepared by the departments, IQAC and the office of the Controller of examinations. All the important events of the college are in line with the academic calendar. The calendar committee gathers the details and schedule the common programmes to be conducted. Once ratified by the College Staff Council, the hard copies of the Academic Calendar are issued to the students and staff. The College Council monitors the adherence to the Academic Calendar from time to time

Teaching Plan:

Teaching Plan of the College has a well-defined unitized syllabus with timeframe that is provided to the students at the beginning of the course. The course teachers prepare unit-wise teaching plan, describing timescale, teaching aids, methods of teaching-learning and assessment of the same. The teaching plan for each course visualizes the plan of the teacher to make each class more informative, interesting, analytical and resourceful. Teaching plan creates a self- informed and self-monitored innovative teacher, and it provides a plan of action for the teacher and guidance for the students. The faculty are encouraged to update the methods of teaching and evaluation, especially of the use of ICT enabled tools and facilities.
