**COLLEGE OF EXCELLENCE | AUTONOMOUS SINCE 1987 | ISO CERTIFIED**

Gavaravaram, Kattasubbarao  
Thota, Sanivarapu peta road, Andhra Pradesh,  
Eluru - 534003

### **2.5.3: IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA)/Formative Assessment have brought in considerable improvement in Examination Management System (EMS) of the Institution**

St Theresa's College follows an objective, comprehensive, student-centered and credible Examination Management System ensuring the integrity of the Institution. The College has taken numerous steps to reform the examination procedures and processes and integrate Information Technology into the evaluation system. Automation of examination registration, auto generation of Hall Tickets, IT integration of Internal Assessment Process, Publication of Results and Mark list generation are some of the reforms that have improved the College's Examination Management efficacy.

#### **IT Integration and Reforms:**

The Office of the Controller of Examinations integrated the Information Technology in the management of Examination System. Mark entry, Grade, Percentage and Cumulative Grade Point Average (CGPA), preparation and analysis of results are automated. The mark statement is accessible to mentors, to assess the performance of students periodically and guide them properly. The payment of Examination Fee has been upgraded to online mode. The students can login to the portal of the Controller of Examinations for downloading their hall tickets. During the COVID-19 situation, the College was able to conduct the Continuous Internal Assessment Tests and Summative Examinations Online hassle free. Students have access to view their overall marks in the College website by logging in with their Roll Number. WhatsApp groups makes available all information instantly to the students.

### **Outcome Based Education:**

The curricula of different programmes have been incorporated in the Outcome Based Education (OBE) structure and the evaluation pattern has also been modified accordingly. It helps the Institution in terms of assessing different levels of knowledge of the learners based on the Revised Bloom's Taxonomy. This structure facilitates adopting required changes in the teaching and learning process and also knowing the outcome levels of the learners in the evaluation process. The front page of the answer scripts was redesigned according to the pattern.

### **Methods of Evaluation:**

The Examination pattern consists of two components, namely, Continuous Internal Assessment (CIA) and Summative Examination (SE) with equal weightage. The performance of the students is assessed for 100 marks in each course through CIA and SE. Two Continuous Internal Assessment Tests (CIA) are conducted in a semester for 15 marks each. The remaining 20 marks are assigned on the basis of various classroom performance and activities, such as, Assignments, Snap Tests, Activity Based Tests, Library Works, Seminars, Officiating Games and Teaching Practices, Field and Industrial Visits, and so on. Teachers can securely log in and enter marks of the various components of Continuous Assessment tests. Question Papers of Summative Examinations are set and the answer scripts are valued by External Examiners. The results of the Summative Examinations are published within the period of three weeks. Viva Voce, project and internship evaluation are parts of Summative Examinations.

### **Transparency:**

As part of ensuring transparency in the CA, the valued answer scripts are displayed to students and grievances regarding the award of marks are resolved there and then.

## Instant Examinations:

The conduct of the instant Examination is a healthy practice of the Examination System allowing the outgoing students to clear a maximum of three courses in order to complete their programme within the stipulated time.

### Learning Management System

The screenshot displays the 'Admin Panel' for an 'Exam Administration' system. The top navigation bar includes 'Admin Panel', 'Dashboard', and a 'Logout' button. Below the navigation bar, a user greeting 'Welcome Beena!' is shown next to a 'Home' button and a 'Change Password' link. A 'Main Menu' sidebar on the left lists several options: 'Admin', 'Regular Exam Details', 'Exam Settings', 'Reports', 'Exam Attendance', and 'Su/Im Exam Details', each with a right-pointing arrow. The main content area of the dashboard features the text 'Welcome To Exam Administration' centered on the page.
