4.1.1: THE INSTITUTION HAS ADEQUATE INFRASTRUCTURE AND OTHER FACILITIES FOR

- **Teaching – learning, viz., classrooms, laboratories, computing equipment etc**
- **ICT – enabled facilities such as smart class, LMS etc.**
- **Facilities for Cultural and sports activities, yoga centre, games (indoor and outdoor), Gymnasium, auditorium etc.**

The institutional goal being the creation of professionally equipped women committed to excellence, it is the policy of the Institution to provide state-of-art infrastructure for the growth and overall development of the students. Modernized buildings, fully furnished classrooms, laboratories designed with good equipment, aesthetically appealing ambience, meticulously maintained hostels and well managed libraries are the assets of this glorious Institution making it on par with the best in the Country. Optimal utilization of infrastructure is ensured by making them accessible to all streams of students in allocated time slots. Creation of the best learning atmosphere for excellence in educational practices has been thus prioritized in this institution.

The College has a systematic policy in the creation and enhancement of suitable infrastructure to suit the growing needs of educational practices geared towards equipping learners with skills, knowledge and training. The Heads of Departments put forward proposals in the Staff Council Meet regarding the need to augment infrastructure in every discipline. The IQAC collects feedback, conducts review and presents the infrastructural requirement to the College development team. The proposals are presented to the Governing Body who approves the plan. The College has an Administrative Officer and two supervisors to oversee the maintenance of buildings, classrooms, laboratories and computing equipment.

The College has an eco-friendly, learning friendly and inclusive Campus that spreads over 25 Acres. It has 8 blocks namely Administrative block, Science block, Arts block, Commerce block, Home science block, PG block, Degree hostel and PG Hostel block. Each and every block has a good number of spacious rooms, with proper ventilation. There are 12 laboratories, 38 Classrooms with ICT facilities (LCD projectors, LED TVs and interactive boards), Seminar / Conference halls, virtual classes, Digital classes, 1 media centre, 1 Central Instrumentation Lab, 1 Multipurpose Hall and 1 open-air auditorium. Major departments are having research centres, museums (2), instrumentation centres (2) in which good number of projects are undertaken and done successfully. STC has a Computer centre, comprises of 8 computer labs with around 450 computers. The Institution has a language lab with 48 computers where students can develop their communication skills. It provides a very different experience from the traditional system of teaching and learning languages, offering more advanced features and functionalities. The Campus is kept under CC Camera surveillance. The college has Net Resource Centre, Skill Development Centre with Laptops and Tabs, Organic farming Garden along with Herbal Medicinal Plants and a Green House apart from a Vermi Compost Unit and rain water harvesting pits. There is also a 6feet diameter aquarium.

- A mini hall for cultural activities
- Yoga centre
- The football court
- Basket Ball court
- Tennis Court
- Shuttle Badminton Courts and Fencing facilities are available.

A well-developed Fitness Centre – Gymnasium is designed. St. Theresa's Caters to the total personality of the students. The 1500 sq ft gym is equipped with Treadmill, twisters, fit kit., etc., where in the students enjoy the facilities to keep themselves fit for life & fit for job.
