4.2: Library as a Learning Resource

"Thamasoma Jyothirgamaya"

COLLEGE OF EXCELLENCE | AUTONOMUS SINCE 1987 | ISO CERTIFIED

Gavaravaram, Kattasubbarao
Thota,Sanivarapu peta road, Andhra Pradesh,
Eluru - 534003

4.2.1: Library is automated with digital facilities using Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students

Library is automated using Integrated Library Management System (ILMS). The library is a Learning Resource Centre of the college with more than:

- 1,04,040 text books and reference books,
- 49-journals.
- 6027 –e- journals
- An automated system functioning from 2007.
- The digital library is an integral part of the teaching and learning process. In addition to the various resources, Library as Learning Resource Centre hosts a magazine lounge and a Browsing Centres.
- Library automation software.
- Master Soft provides library management system that allows institutions to efficiently manage all the in-house operations of the library like Acquisition & Cataloguing, Circulation, OPAC (Online Public Access Catalogue), Serial Control, Newspaper, Utility. Similarly, this product also has features of generating reports like the Accession register report, total number of books in a library, bill payment report and many more.
- Barcode printing competence for printing barcode.
- Information Services Infrastructure for Scholarly Content (N- LIST) of UGC INFLIBNET which provides remote online access to over.
- The Library is WiFi-enabled and provided with computer access to browse online contents

LIBRARY AUTOMATION:

The library is fully computerized using LIBMAN Integrated Library management software developed by IITMS, Nagpur. The library automation is completed at various levels such as Acquisition, cataloguing, serial control circulation and other library reports. Circulations of books are done by using Barcode technology. For this we bought three laser printers and two barcode scanners. The collection of the library is available through OPAC. OPAC facility is connected to five systems for quick access of the library resources.

ONLINE PUBLIC ACCESS CATALOGUE (OPAC)

This section includes library Online Public Access Catalogs in the world, Web-interfaced OPACs, magazines and newspaper databases on the Internet. The library catalogue is base for most of the library activities such as acquisition, reference, Inter-library loan etc. OPAC is connected to 8 systems to fast retrieve of library resources.

DELNET:

DELNET-Developing Library Network, New Delhi is a major resource sharing library Network in India connecting more than 8600 institutions in 28 States and 6 Union Territories in India and few other countries comprising of Universities, Colleges, R&D organisations, medical hospitals, etc.

The portals have sophisticated features for advance knowledge discovery. It is a simple, single window discovery layer which encourages the users to explore the networked library/knowledge resources offered through DELNET in a feature-rich environment. DELNET is a great boon for faculty, researchers, scholars, students, Our college is an institutional member of DELNET-Developing Library Network. The bonafide faculty, students, Research scholars and officials are entitled to DELNET resources and services.

IEEE membership offers access to technical innovation, cutting-edge information, networking opportunities, and exclusive member benefits. The memberships build a platform to introduce careers in technology to students around the world. As the world's largest technical professional organization, IEEE offers a number of ways to get involved with technical and local communities. These communities are active participants in research and authorship, conferences, and important conversations about today's most relevant technical topics locally and globally. The faculty and students make use of this opportunity.

Library week celebrations

National Library Week was established by Indian Library Association (ILA) in 1968, the National Library Week is celebrated on 14-20 November all over India. Our college Library Committee organise every year various programmes and conduct competitions to create awareness about the purpose, importance and benefits of library resources.
