#### **4.4.2: There are established systems and procedures for maintaining and utilizing physical and academic support facilities – laboratory, library, sports complex, computers, classrooms etc.**

Ch SD St Theresa's college for women(A) with its 70 years long experience has established systems and procedures for maintaining and utilizing every facility under its domain. Every year the management spends a large amount for maintaining the physical, academic and support facilities. The care and regular maintenance of the entire college and the Campus, is monitored by a team of staff who supervises daily functioning. The college has well-defined Policy and Procedure for maintenance of infrastructure and facilities and its utilization. The college office maintains a maintenance report register. Logbooks are maintained. Security and safety equipment are maintained with support of experts. To utilize common amenities, bookings are done with the approval of the principal. The technical staff is in charge of Preventive and Corrective maintenances. A technical committee comprising 3 faculties is responsible for college LMS. E-Waste strategies are followed for obsolete IT equipment. The laboratory assistants take care of the laboratories. Calibration and modernization of equipment are attended to by the professional agencies. Logbooks are maintained in laboratories. Fire Extinguishers are installed. The proper utilization and maintenance of the sports Infrastructure is the responsibility of Physical Education Department. Library maintenance and augmentation of the library facilities are regularly done Pest management is executed as a preventive maintenance. Smoke/Fire Detectors are annually checked. Water and Waste Management systems are in place in the campus and biogas plant.

The care and regular maintenance of the entire college and the Campus, is monitored by a team of staff supervise daily functioning. They regularly ensure the cleanliness and maintenance of the college. A group of workers are deployed in doing all the cleaning tasks regularly. The roads, common places, faculty and class rooms, laboratories, research centers, rest rooms are cleaned daily and mopping is done periodically. Labs are maintained by lab assistants. The stocks and records of all laboratories are maintained by storekeepers and record assistants under the supervision of Heads of various departments. Department wise annual stock verification was done by committees. Calibration and modernization of equipment are attended to by the professional agencies.

**The campus of St. Theresa's has become synonymous with elegance and neatness. This is made possible with the dedicated efforts made by the Management in undertaking.**
