

Signing In :

Do we know what is the population of India? Perhaps we may say that it is very huge. In this huge number of people, we remain not just as a mere number but a unique member. We as we are very unique and singled out. There is no second person like us in the entire world. That will make clear how important we are. There is some meaning and purpose of our life here on earth. Life becomes worth living, when it is lived with a purpose. Our purpose is very clear: as long as we live, we shall make a difference in the lives of others. We shall make this earth a better place for the generations to come. Humanity is the religion which should transcend all the barriers and love is the binding force which will unite the entire world. The moment I can accept the other as a human person, I have won a great battle. St. Theresa's College is a garden of such unique and wonderful persons with different talents. This news letter is the link to gather the blossoms of our garden. Let's make every moment important in our life and "Theresian Chime" shall immortalize it by recording your activities. We shall have a glance through the wonderful activities of the month of August. Here we go.....

Principal's Desk:

The month of August brings thrill and joy to every citizen of India. As children we awaited eagerly to this day. We held small flags, ate sweets, sang National Anthem with full gusto, we listened to speeches which made lasting impressions in our minds. All this led us to love our Mother India. The father of our Nation, Mahatma Gandhi, who fought for freedom with non-violence and firm determination in order to get what is ours and what we deserve.

Now as we grow older we have learnt that India is a land of richness of different religions, languages and traditions and plenty of resources. It is so vast and it has its own glorious history. It is surrounded by snow-clad Himalayas, mountains and rivers, forests and herbs and a happy mingling of flora and fauna.

Now when we look at our present scenario, we are sad and we lament. Of course though India got independence, people in India at present do not seem to enjoy freedom. Though we are born free, we are not able to live free. There is no religious freedom, holy books are burned; worship places are defiled; religious fanaticism takes upper hand in every place. Politicians are looking forward to survive, advocates lie, leaders misbehave, cops get bribe, children disobey elders, wise people are not given due importance, values are disappearing. When we look around we find de-forestation and environmental pollution even rivers are polluted. No more rains if so only floods and disasters. Lovely singing birds with different species become extinct. We have forgotten the right seasons. We have become victim to various illness and skin diseases!!

Is it not a sad situation in India which has gained freedom but still not enjoying freedom?

Let us reflect and ask ourselves individually- Am I a free person? Do I enjoy this freedom? What is my personal contribution towards my Mother Land? Can I do something that I and my neighbor can live joyfully and peacefully in the place where I am? Let us live the true freedom which God Himself gives us. We are indeed the free children of God.

Long live India.

– Dr. Sr. Marietta D'mello

GENERAL BLOCK :

Independence Day :

With a Patriotic Spirit and respect to the Nation St. Theresa's Autonomous College joined hand in hand to celebrate Independence Day. The departments-Web Technology cum Multimedia and Community College organized this great event under the guidance of Major Dr. P.Celine Rose. MC of the event, Mrs D.Sarada, Incharge of B.Voc(WTM) welcomed the dignitaries and the audience. The **Chief guest, Dr.G.Jyothi, HOD of Chemistry**, hoisted the flag. Community College students performed a prayer dance on the song Vande Mataram. Mother Ernestine Fernandez, Provincial Superior of Sisters of St. Ann, delivered a memorable and enriching message on the occasion of Independence Day. The programme came to an end with vote of thanks by Ms. Sai Leela Rani, faculty, Community College.

231st Wedding Anniversary of Founders of St. Ann's Congregation Carlo & Guilia De Barolo at Ch.S.D.St. Theresa's College for Women, Eluru.

On the Wedding Anniversary of founder, the **Management** organized - **honoring of couples** to reiterate the family bonding and values. Superior and correspondent Sr.Lourdu Mary welcomed the **staff and their spouses**, Principal Dr.Sr.Marietta D'Mello enlightened the couples on family values. It was an eye-opening and thought provoking speech. Vice Principal Dr.Sr.Showrilu was the MC for the entire programme. Sr.Sunila Rani Controller of examinations organized a heart touching Prayer Service and innovative games. Later, Prizes were given to the winners. Thus, the joy filled gathering dispersed carrying sweet memories along with them, after a sumptuous banquet. The **Staff** is ever thankful to the Management for their affection and care

Centre for Fine Arts :

Under RUSA 2.0 (Component 8) **Centre for Fine Arts** was inaugurated on 29th July 2019. Chief Guest for the programme was Ms.I. Aruna Kumari, Expert Teacher from PIDILITE INDUSTRIES, Mumbai. Under this programme Certificate/ Diploma/ Advance Diploma courses were organized for Students, Faculty and Housewives. Classes commenced from 30th July 2019.

STUDENTS' BLOCK :

Knowledge Extension Programmes:

III B.Sc., Home Science students presented a knowledge extension programme on 1st August, 2019 on the topic **Liquid Gold** under the guidance of Mrs. P. S. Bhanu Prasanna lecturer, Department of Home Science. Students explained about the importance of Breast Feeding, Advantages of Breast Feeding to mother and Infant, Immunological, psychological and Physiological factors, Disadvantages of Prelacteal foods and bottle feeding by using various methods like Skit, Videos and Power-point Presentation.

III BCOM Computers under the guidance of **Dr. D. Fathima Rani** and **Ms. P.V .Padmavathy** Department of English presented an extension programme on **Women Power at 21st Century** on 29th August, 2019. a total no of 63 students participated in this extension programme. Each student enacted as one of the eminent women occupied at highest cadre in different fields like politics, IT, Business, Film, Writing Field, IPS, IAS, Singing, Army, Navy, Space, Anchoring Field, Bike riding, Miss India, entrepreneurs, mountain Climbing, Supreme court Judge Etc., Students performed a dance drama and left a message that Real Social Progress is achieved by empowered women who reached unconventional positions.

Training Programmes :

Department of Web Technology and Multimedia conducted a three day training program under **RUSA** on **Photography** from 1st to 3rd August, 2019. II and III B.Voc (Web Technology and Multimedia) students

and Community College Diploma ITeS students attended this training program. The resource persons Mr. G.Balaji and Mr.G.Shivaji explained the meaning of Photography and made the students understand about the ample career opportunities that are awaiting in this field. They taught clearly how to choose backgrounds while taking photography.

On the second day they explained about the camera features, difference between the mobile lens and camera lens. The types lenses used in photography. Mr.Shivaji shared some techniques to appear beautiful while taking photography and Mr.Balaji made it very clear as to how to choose the colour for the backgrounds. He gave some tips to those who wear spectacles.

On the third day, they gave practical experience to use cameras and lenses to capture beautiful photos. Students utilized the opportunity and gained knowledge. Mr.Shivaji explained the lighting techniques and the usage of a white umbrella.

Indeed, it was a very good and useful Film Making Course.

Internship Programme :

Department of Mathematics Organized a three day internship program under RUSA on **Octave** (A Mathematical tool for advanced Mathematical calculations) in Association with Spectrum Solutions ,Pondicherry, Coordinated by Dr.KL.Saraswathi Devi Head of the Department of Mathematics and Statstics, from 19th to 21st August, 2019. . Final year Mathematics combination Students about 235 Students and the department faculty participated in it..The resource persons were Mr. Raushan Kumar Singh, Managing Director, Spectrum Solutions and Mr. Sandeep Kumar, SMVPTC , Pondicherry. The Major topics covered in this programme are - * Introduction of Octave, Plotting(2-Dimension,3-Dimension), Pie Chart, Arithematic/Trigonometric Operations, Matrices/Determinant Differentiation/ Integration and Image Processing.

International Forum :

Department of Zoology organized a two day International Forum on **Transformation of Public Health and community Responsibility** on 8th and 9th August, 2019 in collaboration with Saudi Board Family Medicine programme Buraidah, KSA sponsored by RUSA 2.(Component-8) in association with IQAC.

Guest of honour was Prof. Teky, Registrar, Adikavi Nannaya University, Rajamahendra varam and other guests of honor were Dr.Saleh Abdelfattah Al Gabbany, Director & Consultant Family Medicine at Saudi Board Family Medicine Programme, Buaidah, Quassim Region, KSA, Dr.K.Chandra Sekhar, Professor & specialist Family Medicine at Al Faiyzieh Post graduation centre for family Medicine, Buraidah, KSA.

Dr. Saleh Abdelfattah Al Gabbany gave a lecture on the topic “ Experience of Breast Cancer Screening program in Qassim region, KSA”. This is the first community based screening program in the gulf region including Kingdom of Saudi Arabia.

Dr.T.Vinay Bhushan, MS.Mch.Neuro (NIIMS) FINS (Fellowship in Interventional Neuroradiology & Stroke, Zurich). Dr.G.Sreenivas, Asst. Professor, Department of General Medicine, ASRAM Medical College were the resource persons. About 160 participants presented their papers. About 550 participated from Faculty, Students, Research scholars and PG and UG Medical students.

Work Shops Organized :

Department of Home Science organized a workshop on painting skills from 19th to 21st August, 2019 for the I B.Sc., Home Science students by Mrs. I. Aruna Kumari, Pidilite Industries, Mumbai. Pot painting, Mural and Varli painting techniques, glass painting techniques, tie and dye techniques, Lippon Work, Kalamkari art, liquid embroidery, one stroke painting were demonstrated by her. Home science students grabbed this opportunity of learning various painting skills in and through this workshop.

A two-day workshop on **Theatre Arts for Better Life skills and Communication Skills** was organized by the **Department of English** on 26th and 27th of August, 2019 under RUSA in collaboration with IQAC. Good communication and social success is the ultimate aim of all language study and especially for the students who pursue literature as their option. Nearly 300 students of BA combinations, all literature students of both UG and PG and Web technology students attended the workshop.

As Theatre Arts exposes the range of theatre activities, on stage and off stage, two persons from Film industry were invited as Resource persons. Mr. Ratna Sekhar Reddy, Director of Samhara Theatre, Miss Snigdha, film actress, singer, alumni of our college, Mr. Somraju, a TV artist and theatre Artist, Mr. Hema sunder, an International dance director, Mr. Katti Mahesh, a critic, writer, theatre artist, actor shared the sessions for two days.

The **Department of Physics & Electronics** organized a 3 day Workshop on **Internet of Things** from 29th to 31st August, 2019. Sri. V. Govinda Rao, Director Technical Microlink Peripheral Pvt. Ltd, Vijayawada was the Resource person. About 100 students of Physics & Electronics of III B.Sc.M.P.CS & M.E.CS participated actively in it. The concepts & basic Electronics of IOT & it's application in Smart Technologies were explained well. Based on this, the students developed some smart appliances like LED blinking, Buzzer, Relay ON & OFF, Bluetooth, Smart Mobile interface for home Automation, ADC interface for measuring temperature & Light intensity using IOT. Congrats to the students.

The **Department of Social sciences** a one day work shop on the topic **The Role of Social Sciences to promote ethics in society** under RUSA2.0 (8 components) on 30th August 2019. **Prof.C.S.N.Raju**, Retd.Professor in Economics, Acharya Nagarjuna University, Guntur and **Mrs. Uma Devi**, Retd. Lecturer in History, Ch.S.D.St.Theresa's College for women, Eluru were the resource persons. About 250 members participated in this work shop.

National Deworming Day :

The National Deworming Day was observed on 19th August,2019 by the students and faculty of **Department of Zoology**,headed by Dr.R.Indira. 110 students from III B.Sc.BZC&ZNC benefitted from this programme .Ms.T.Sri Kavya gave an introduction on the importance of the day. Ms.A.Christiana created an awareness among the students through Power Point Presentation about the meaning of deworming, common unhygienic behaviours in the community through which the worms spread and suggested preventing measures for worm infection. She concluded her talk by narrating the benefits of deworming. All the students applauded her and left the hall with a detailed knowledge of the topic.

National Workshop on Contemporary NANO :

The **chemistry department** organized a one day workshop on the topic **Contemporary –Nano synthesis, characterization and applications** at the college campus. Scientists: Dr.BVL Prasad and Dr,Rama Krishna were the resource persons from National Chemical Laboratory, Pune. Dr.Sr.Marietta D Mello, Principal, gave the inaugural address on this occasion. The resource persons enlightened the participants on the Synthesis and applications of Nano particles. They said Nano particles can be used to protect the environment. National level scientists in Physical Sciences also gave lectures and demonstrated the synthesis and applications of Nano particles in the laboratory. Nearly 550 participants from different colleges benefited by this program. Dr.G.Jyothi, Head of the Department of Chemistry-Convener, Dr.C.A.Jyothirmayee-Co- Convener and Dr.V.Naga Lakshmi-the organizing secretary for this programme

IIRS Outreach programme:

The **Department of Physics & Electronics** coordinated with IIRS, Dehradun and organized a live and interactive program on **48th IIRS Outreach**

program on **Digital Photo grammetry based 3D modeling** from 29th July to 2nd August, 2019. Faculty of Physics & Electronics participated in this program.

As our college is a Network Institute of IIRS, Dehradun, the Department of **Physics & Electronics** coordinated a live & interactive program on **50th IIRS course on Basics of RS, GIS & GNSS** from 19th August, 2019 to 15th November, 2019. Nearly 155 students and 15 faculty registered for this on-going program.

Guest Lectures :

Department of physics & Electronics organized a guest lecture on 22nd August, 2019. The resource person **Dr.K.Ramachandra Rao**, HOD, Government College, Rajahmundry, enlightened the students on the topic **Recent Advances in Nano science** which was very interesting. The students of U.G. & P.G Physics actively participated in this and gained knowledge.

The Department of **Management Studies** organized a guest lecture on 26th August, 2019 on the topic **Corporate legal framework** by **Prof. T. Solomon Raju**, HOD of Department of MBA, D.N.R College, Bhimavaram. He presented various examples of Case Studies of different companies to explain the practical issues faced within the corporate legal framework.

Department of **Computer Science** organized a guest lecture on **Ethical Hacking** on 27th August, 2019. The resource person Mr.J.Vamsidhar, Technical Director, Securium Fox Technologies Pvt.Ltd ,Vijayawada is a certified ethical hacker who explained many topics like encryption and decryption of text, how to hack website and mobiles. The purpose of this guest lecture was to expose the students to the field of ethical hacking and cyber security

Student Seminars:

On 21st August, 2019 II B.Sc BZC students gave a talk on Bentham & Hooker classification, Types of Embryo-sac, Structure of anther, Types of Endosperm.

STAFF BLOCK :

Congratulations!!!

We have a great reason to rejoice as Rev.Sr. K.Showrilu has secured a Ph.D degree in Physics from BHARATHIAR UNIVERSITY, Combatore. **Dr. Sr.Showrilu** defended her thesis: **Investigation on the Synthesis, Growth, Structure and Characterization of Crown Ether and Transition Metal Complex Family Crystalline Materials Containing SCN Chromophor DCTZ, BCTZ and BCBT** on 07th August, 2019. The Management, Staff and Students of St.Therasas' College express our heartfelt congratulations on her success and join her in thanking everyone who has made it possible. Hearty Congratulations dear Dr.Sr. Showrilu. You have done well despite many responsibilities. We appreciate your academic excellence.

Once again, let's applaud her success.

Praticipation in Seminars/Workshops/ Conferences :

IQAC Activities-Participation in National Workshop:

Dr. I. Annapurna, Associate Prof. PG Economics, in-charge of Research wing, member of IQAC and **Dr. C. A. Jyothirmayi**, Associate Prof.

Department of Chemistry, Member of Research wing and IQAC participated in a UGC National Workshop on **Research Integrity Awareness** on 5th August, 2019 at University, Hyderabad.

Chemistry as well as Botany faculty, Dr. Fatima Rani, incharge HOD of English, **Dr. Ratna Mary**, HOD of Social Sciences participated and presented papers in the **International Forum** entitled **Transformation of public health and Community responsibility** organized by Zoology department. **Dr.G.Jyothi**, **Mrs. N.Gayathri Devi** and **Dr. Ratna Mary** were the chair persons for Technical sessions. **Dr.M.Rama** and **Dr.V.Naga lakshmi** were the animators in paper presentations.

Dr. Sr. Showrilu, Vice-Principal cum P.G. Director and faculty participated in Virtual Lab demo classes organized by **UNEECOPS Technology** on 20th August, 2019.

Dr. Sr. Showrilu Vice Principal and Dr. I. Annapurna attended Video Conference at SCIM Government Degree College, Tanuku on 28th August 2019 and Dr. I. Annapurna delivered Orientation lecture on NAAC & RUSA to the Principals and faculty members of Government degree colleges

Staff as Resource Persons :

Under Management instructions, **Dr R. S. N. Sarma, Head of the Department of Commerce** is contributing his lectures twice a week on **Corporate Accounting** to II B.Com students at Government Degree College, Eluru, West Godavari District

Training programme:

Mrs.S.Surekha, lecturer in social Work participated in the training program on **Training of Trainers (TOT) on Social Entrepreneurship** which was held from 22nd to 24th August 2019 at Adikavi Nannaya University, Rajamahendravaram . The training programme was organized by the Departments of Social Work, Adikavi Nannaya University, Rajamahendravaram and the Department of social Engineering, Rajiv Gandhi National Institute of Youth Development (RGNID), Ministry of Youth Affairs & Sports, Sriperumbuthur, Tamil Nadu, Government of India.

Board of Studies Meet :

Board of Studies Meet for the academic year 2019-20 was held at St. Theresa's College, Eluru from 22nd to 26th August, 2019. University Nominees and Subject Experts were here to contribute for the same. Along with the faculty student representatives of every department participated in these meetings.

ACTIVITIES BLOCK :

Breast Feeding Week Celebration :

The **Departments of Applied Biosciences and Home Science** organized World Breast feeding week from 1st to 7th August, 2019.

On 1st, Inauguration of breast feeding promotion was held at St. Theresa's College to bring awareness on

the importance of breast feeding and its benefits to mother and child with the theme **Empower Parents Enable Breast Feeding**. On this Occasion students of **Applied Biosciences** performed a Mime and an information was shared on the protection and production of Mothers Milk.

On 2nd, Seventeen Students of Applied Bioscience participated in a recipe contest on the theme **Breast Milk production enhancing recipes** conducted by **Home Science Department**

On 3rd, Students of **Ayush club** conducted an awareness program at **Anganwadi centre, Thoorupuveedi, Eluru**. They Shared their knowledge on **Importance of breast feeding** for lactating Mothers.

On the same day, Canteen was organized by **III B.Sc., Home Science** students to gain experience in cooking and marketing in bulk . The students were given an experience of organizing **Nutri-Eatery** low cost and nutritious recipe preparation. The students were encouraged to prepare ten different items and were able to gain marketing skills and quantity cooking. The experience made them to learn techniques of doing business to empower themselves.

On 5th, A Guest talk was organized by **Dr.Anusha, Pediatrician, ASHRAM medical college**, on the feeding practices and the benefits of breast feeding. All the final year students attended the guest lecture.

On 6th, **III MBN Applied Bioscience** students along with the staff MS. Kala and Mrs. Neeraja lecturer in Nutrition and Microbiology celebrated **valedictory** at

Kandrigagudem Anganwadi Centre Code: 74. They emphasized on the **Importance of Breast feeding by Mime and Skit** on health and hygiene.

Supervisor-Shanthi priya and in charge Vijaya Lakshmi, the pregnant and lactating mothers were present for the programme.

Home Science Department held a debate on the topic **Breast feeding Vs Artificial Feeding**.

On 7th, III ZNChe. Applied Bioscience students along with the staff Dr.P.Jyothi Kumari & D. Lumbini Devi, Lecturers in Nutrition and Biochemistry, conducted **valedictory celebrations** at **Venkatapuram Panchayat, Hanumannagar Anganwadi Centre Code: 90**. They emphasized on **“Importance of Breastfeeding”** in the form of **Play**. Twenty four students participated in this programme and enlightened on the theme. On this occasion Dr. Jyothi Kumari spoke on the importance of nutrition during pregnancy and lactation.

Training of Trainers :

Mrs. Ch. Sushma and Ms M. Priyanka , Faculty of PG Clinical Nutrition delivered talks in a series of programmes for ‘**Training of Trainers**’ organised by **Child Rights Advocacy Foundation-CRAF** from 17th to 24th August, 2019 at Sriparru, Madepalli, Tangellamudi and Dubacherla on the topic **Balanced diets and its influence on health of mothers and children**

National Spirit Week Celebrations :

The **Department of Social Sciences** organized National Spirit Week Celebrations from 24th to 31st August 2019. Dr.Sr.Marietta D’Mello, Principal inaugurated the National Spirit Week celebrations. As a part of this, the Department conducted various competitions on patriotism like role plays on national leaders, singing, extempore, essay writing and poster paintings. The students actively participated in various competitions to express their integrity towards Nation. Prizes were distributed at the valedictory session.

Club Activities :

Akarsh Club Inauguration:

The **Department of Home Science** celebrated the Inauguration of **Akarsh Club** on 1st August, 2019. The Chief Guest of the program was Dr. N. Nagavardhanam, former HOD of Botany, Ch. S. D. St. Theresa’s College for Women (A), Eluru. She presented badges to the representatives of club groups. Dr. Sr. Marietta D’ Mello, Principal, graced the occasion. ‘Miss Home Science’ contest was conducted for the students and prizes were given to the winners of ‘Miss Home Science’. The colorful day was made memorable with cultural programmes performed by Home Science students.

E-hub Activity:

The **Department of Physics and Electronics** conducted second activity of E-hub on 03th August, 2019. The I & II B.Sc. electronics students are the members of E-hub. **Power point presentations** on following topics were given by II BSc .M.E.CS students. **Wireless Power Transmission**, by V.Bhargavi , G.Ruchita & N.Reshma.

“**Electronic Eye**” has been conducted by S.Bhuvaneshwari, B.Praveena & P.Manga.

“**Electric Bicycle**” by S.Sujatha, N. Dakshayani & S.Divya.

The PPT presentations were quite interesting and informative. By and large, the whole event was a huge success.

Youth Red Cross and Red Ribbon Club :

On 4th August 2019 YRC co-ordinator Mrs.R.Chittemma, nodal officer Mrs.Aruna Jhansi and 10 volunteers participated in the VANAM-MANAM program in collaboration with SETWEL and Indian Red Cross Society, Eluru, West Godavari district.

YRC co-ordinator Mrs.R.Chittemma, Nodal officers Mrs.Bhavani and Mrs.Aruna Jhansi attended the state level award awareness program at CRR College, Eluru.

On 10th August Youth Red Cross and Red Ribbon Club members celebrated **WORLD YOUTH DAY**.

Centre for Women’s studies :

UGC sponsored Centre for Women Studies - Inaugurated activities of Women Empowerment Cell for the academic year 2019 - 2020. Chief Guest for the programme was Dr. Ms.N.Nagavardhanam, Faculty Emeritus, Department of Botany, Ch.Sd.St.Theresa’s college for women, Eluru.

Under this cell, activities like guest lectures, guest demonstrations, role plays, seminars, workshops, field trips, competitions will be organized during the Extra curricular period through out the academic year in order to empower and develop the entrepreneurial skills among the second year under graduates. In order to organize the activities systematically the enrolled students are divided into eight groups and each group is entitled with the name of an empowered woman leader belonging to a specific field to be the group's role model like Mother Theresa, Durgabai Deshmukh, Marie Curie, Saina Nehwal, Latha Mangeshkar, Indra Nooyi, Kalpana Chawla and Helen Keller. Group leaders were honoured with badges and thereby delegated responsibility to carry out their duties throughout the academic year

Under **Space Club activity**, on 26th August 2019, the **department of P.G. Physics** organized PPT Presentations on **New Innovations** related to Physics like Drones, Solar roads, Eye lights and Nano 1 (world's smallest astronomy camera). I and II M.Sc Physics students participated actively in it. Later, Dr. A.Nirmala Jyothsna, HOD of Physics and Electronics, inspired the students on the importance of acquiring communication skills for their bright career.

Community Extension Programme :

II B.Sc Home Science students visited **Anganwadi Centre** at Sri Ram Nagar Road, Eluru on 7th August, 2019. Anganwadi Instructor explained about the on-going programmes of Women and Child Welfare Department. Students came to know about the immunization schedule which is being practiced in the recent years for infants.

NSS Inaugural Programme :

College NSS Inaugural was organized on 20th August, 2019 by NSS coordinator Mrs. B.Mariamamma and NSS PO Mrs. R. Jagadeswari. The Chief guest Mrs. Ume Salma spoke on the importance of NSS and it's activities at College level. She shared her NSS Experiences with students as a Volunteer and NSS PO

Celebration of Tanguturi Prakasam Panthulu :

The **Department of Social Sciences** celebrated the birth anniversary of Andhra Kesari Tanguturi Prakasam Panthulu on 24th August, 2019. His Portrait

was garlanded by Dr. Sr. Marietta D'Mello, Principal and Dr.P.Ratna Mary, HOD, Department of Social Sciences. Dr.Sr.Marietta D'Mello, enlightened and encouraged the students to imbibe national integrity in and through her inspiring speech.

Nuclear Weapon's Day :

On 27th August, 2019 **St. Theresa's College NSS team** organized a Special programme on Nuclear Weapon's Day. NSS Programme officers gave introduction about the importance of the day. Ms V.Mahathi of II B.Sc NSS Volunteer gave a detailed explanation on Nuclear weapon's day with a power point presentation. It was an enlightening experience

Telugu Bhasha Dinotsavam:

Department of Telugu organized a guest lecture on the eve of **Telugu Bhasha Dinotsavam** on 28th August, 2019. The Resource person Dr. Kodali Somasundara rao Rtd HOD of ANR College Gudivada, gave a lecture on Role of Telugu poet Sri Gurajada Apparao in renaissance. Under Graduation & Post Graduation Students of Telugu and staff members of Telugu and Hindi participated in the Programme.

Medicinal Garden:

During the months of July and August, **B o t a n y** department

established new Herbal garden 'Susruta Vanam' located opposite to the chemistry lab. 80 varieties of rare and endangered medicinal plants were planted by B.Z.C students under the guidance of faculty members. 35 plants are herbs like Centella, Carum, Raowlfia, Androgaphis etc., 25 plants are shrubs like Golden Rose, Gandharwa Rose, Elachi, Adathoda etc., and 20 plants are trees like Lakshman phal, Custard apple, Citrus, Gymnema, Pepper etc which are used to cure various diseases like cough, cold, joint pains, diabetes, memory power, uterus and urine disorders. I and II BZC students contributed their share in cleaning and maintaining this garden

Signing Out :

A bird in hand is better than two in the bush. Do you agree? The college Newsletter will definitely help to showcase the activities that are happening in the campus. It also helps in building up teamwork which is very much needed today in the world of competition. Hope you are informed of all the campus activities in black and white. Let's make it successful by contributing to Theresian Chime. Stay connected.....
