Principal's Desk :

We are very familiar with the proverb: Time and Tide wait for none! I am just recalling the time when we commenced the new academic year 2019-2020. It is almost unbelievable that this academic year is winding up so quickly. Looking back I can tangibly feel the guiding hand of the good Lord in taking us smoothly through paths which are tough and rough.

Hereby, I would like to thank each one of you for journeying with me throughout this year. Numerous experiences. Thank you for your co-operation and understanding. Our days were hectic with very many Programmes, Seminars, Conferences, Victories, Awards and Achievements besides curriculum. Together we have achieved bundles of laurels for St. Theresa's College. Everything is possible and great, when we work together, hand in hand. Success will follow when hard work is mingled with dedication and determination. I am glad and thankful to God for allowing me to accomplish my duties and responsibilities of this College during the Academic Year 2019-20. I avail this wonderful opportunity to greet each one of you personally and would like to wish you a relaxing time during the holidays.
