

# SNEHAHAR

---

Theresian Alumnae Association envisions the needs of the Theresians and attempts to address the basic of all the needs in order to see that the education of the disadvantaged Theresians is not hampered. TAA conceived and started “**Snehahar**” a mid-day meal programme to cater to the nourishment needs of the students and support their education.

**The mains objectives of “Snehahar” are to:**

- handle the nutritional depravity of the students
- help the students focus on the academics
- to retain admissions and increase attendance

“**Snehahar**” is a mid-day meal scheme offered by the Staff and Alumnae to the deserving students of the college. Usually, Snehahar is funded by the monetary contributions of the Staff working on-campus. With the help of this fund, nearly 60 students were provided with the mid-day meal, lovingly termed as Snehahaar. As a part of this scheme, Nutritious and well-planned food is served every day to about 60 students daily from the year 2013.
