

Ch.S.D.St.Theresa's College for Women (A), Eluru

Annual Report 2023-2024

Ch.S.D.St. Theresa's College for Women (A), St. Theresa's College joyfully marked the significant milestone of completing 70 years since its establishment on the memorable date of 5th July 2023. The festivities commenced with an exquisite 'Platinum Jubilee Curtain' raiser, creating an aura of pride and nostalgia. The grand Jubilee celebrations extended through December, culminating in a vibrant and fitting finale on the 15th and 16th of the month. Noteworthy and esteemed alumnae from previous years, including the respected Mrs. Taneti Vanitha, the Home Minister of A.P., graced the event, illuminating it with their presence and adding to its grandeur and unforgettable nature.

NEP 2020 underscores the importance of fostering a multidisciplinary and holistic education environment that not only encourages quality research but also emphasizes the seamless integration of technology and engaging blended pedagogy and assessment methods. With a forward-looking approach to higher education transformation, the institution has turned its focus toward these crucial areas. Responding to the directives of APSCHE, the undergraduate triple major programs have been revamped into stimulating Single Major - 4-year Honours programs, thus reshaping the academic landscape. Introducing exciting new courses like B.Sc. Honours in Food Science and Technology, BCA, and BBA in Digital Marketing has injected a fresh wave of learning opportunities this academic year.

Moreover, the final year students have ventured into internships since December, with an added emphasis on integrating finishing school components into the internship curriculum. This holistic approach includes advanced Communication Skill training and Campus Recruitment Training, complemented by industry-led collaborative initiatives such as the ongoing training by Bajaj Finserv in Banking and Finance, elevating the students' practical experiences. Noteworthy achievements have marked the innovation drive within the college, as demonstrated by initiatives like the development of Nutrilicious powder for combating infant malnutrition by the Department of Home Science and M.Sc. Clinical Nutrition students. Innovations like 'Mirakle Mitai,' a drumstick leaves-based product aimed at eradicating anemia, further underscore the commitment to excellence.

Additionally, collaborative efforts with local authorities and organizations in Buttaigudem, Jeelugumilli, and T. Narsapuram have led to the implementation of the Akshja initiative, funded by the District Administration, focusing on a 6-month intervention targeting specific community needs. The college's culture of promoting novel ideas is reflected in the registration of these initiatives as startups. Meanwhile, the institution's academic staff has significantly contributed to the intellectual property landscape, with publications ranging from patents to copyrights and books. Notable accolades, such as Ms. Sri Raja Sruthi's recognition with a gold medal in English from Adikavi Nannaya University, and the cultural team's triumph in folk dance at the State level Youth Festival, showcase the students' diverse talents and achievements.

Furthermore, the success of the sports and games students at various inter-university and intercollegiate competitions highlights the institution's commitment to extracurricular

excellence. The insightful career guidance and counseling programs organized by IQAC for intermediate students serve as a testament to the institution's holistic support for academic and career development. The participation of NCC cadets at the prestigious TCS (Tal Sainik Camp) in New Delhi exemplifies the institution's commitment to nurturing well-rounded individuals ready to face challenges with confidence and competence.

Change of Guard:

We express our sincere gratitude to the following administrators who rendered their emphatic services and are called to offer their services elsewhere.

- 1) Sr. Ernestine Fernandes Correspondent
- 2) **Sr. Maria Christia** Vice Principal

In the new academic year, the management and Staff heartily welcomed the newly appointed Correspondent Mother Ernestine Fernandez and the new Vice-Principal of the Degree Campus, Sr. Maria Christia with jubilation. They were greeted in a befitting manner with utmost delight and welcomed joyously into the Theresian family.

16. players participated at the South Zone Inter University tournaments in various games
17. The Fit India week 2023 celebrations for Higher Educational Institutions was organized by the Department of Physical Education in collaboration with Andhrapradesh State Level Khelo India Centre, Sports Authority of India on 15th November 2023

ACHIEVEMENTS/AWARDS/RECOGNITION

1. Dr. A. Nirmala Jyothsna, Head of the Department of Physics & Electronics was awarded with the **International award for Outstanding Educator 2022-23** instituted by the

International Institute of Organized Research (I2OR) which is a registered MSME with the Ministry of Micro, Small and Medium Enterprises, Government of India.

2. Dr. R. Madhavi, Head, Department of English who is **editor of an International Journal** “Journal of English Language and Literature” has edited a paper titled “Effects of Integrated form – Focussed Instruction of students writing attitude, motivation and achievement: Grade X in focus.” JOELL. Vol X, Iss 1. 2023.
3. Mr. V. Gopinath, Head, Department of Mathematics and Statistics completed his M. Phil. on the topic “**Coneat Injective Modules Over Commutative Rings**” from Krishna University and was awarded the M. Phil Degree on July,2023.
4. An awareness campaign was organized on “**Management of accident victims at the site of accident**” by the department of Zoology in association with St. Joseph’s Dental College & Hospital, Duggirala. Dr. S. Ravi Raja Kumar, of Oral and Maxillo Facial Surgery, Dr. G. Gowtham, Assistant Professor interacted with the student participants on 24th August,2023.
5. On 3rd September Dr K Aruna , Lecturer in Telugu has received **District Best teacher Award** from State Private Lecturers and Teachers Organization.
6. Rotary club, Eluru organized an **exhibition** on 26th September 2023 for all the young minds of various Government schools of the locality. Mrs. Deepti Bhargava, Department of PG Physics was invited as a **Judge for the Science exhibition**.
7. On 15th October 2023, Dr. Mrs. K. Aruna was honored with the prestigious **Dr. Boyi Bheemanna Memorial National Award** in recognition of her exceptional contribution to Telugu Language and Literature. The award was presented to her by the esteemed Ushodaya Foundation in Bhakarapet, Tirupathi District.
8. On 5th November 2023, as the Inner Wheel of Eluru geared up to mark its centenary celebrations, a poignant ceremony unfolded to pay tribute to **100 exceptional women whose remarkable endeavors** have left an indelible mark across diverse spheres– Dr. Sr. Marietta Pudota, the revered Correspondent; Dr. Sr. Mercy P, the esteemed Principal; and Major Dr. P. M. Celine Rose,
9. On the 11th November, 2023, distinguished author Dr. K. Aruna was honored with the prestigious **Sahithee Sudha Award by Akshara Arts**, a renowned literary organization based in Eluru,
10. On November 18, 2023, Dr. K. Sreelatha, Lecturer of Physics, was honored with the esteemed **Dr. APJ Abdul Kalam Life Time Achievement National Award**.

11. On December 7th 2023, Dr. M. Rama, the UBA Coordinator and Lecturer, Department of Chemistry, actively participated in the Unnat Bharat Abhiyan event at IIT Delhi in collaboration with the Centre for Research in Schemes and Policies (CRISP) program.
12. On 5th March 2024, International Women's Day, Dr. A. Nirmala Jyothsna and Dr.Sr. Mercy P Principal were honored with the "**Women achiever**" award by the Department of Youth Services and SETWEL, Eluru, Government of Andhra Pradesh and College's Women Cell.
13. On 5th March 2024, Dr. D. Fathima Rani, Head of English Department, was honored for her achievements as **a successful woman** by BOFF (Bhahujana society) and Lions Club Eluru on International Women's Day.
14. 23rd April 2024, On the joyous occasion of the 18th Foundation Day celebrations of Adikavi Nannaya University, the esteemed Vice-Chancellor, Professor Padma Raju, graciously presented a well-deserved **certificate of appreciation** to Dr. Sr. Mercy P, Principal.

PATENTS / COPY RIGHTS DETAILS

1. Dr. A. Nirmala Jyothsna, Head, Department of Physics & Electronics attained a patent on "**A Nano material composition having magnetic properties**" with the patent office journal number:06/2022 dated 11th February 2022 in collaboration with Mr. C. Selvaraju, Department of Physics, VSS government college, Pulankurichi, Tamilnadu, India.
2. Department of Zoology Received a copy right in the name of the College "**Effect of Ciprofloxacin (Antibiotic) on the oxygen uptake and metabolic rate of Labeo rohita, The INDIAN major carp**".
3. Dr.R.Indira, "**Effect of Immuno stimulant immune Ds and disease resistance of Labeo Rohit infected wih Aeromonas liquifaciens**".

Publisher: Taylor and Francis Ltd. <https://doi.org/10.1080/10426507.2023.2198715>

16. Dr.V.Nagalakshmi Dept. of Chemistry published a paper-Visible spectrophotometric methods for the quantitative estimation of lopinavir in their formulations in international journal of innovations in engineering research and technology [IJIERT] ISSN: 2394-3696 Website: ijiert.org VOLUME 10, ISSUE 6, June -2023
17. Dr.V.Nagalakshmi Dept. of Chemistry published a paper-Determination of Sodium, Potassium, and Calcium Content in Diverse Mango Fruit Varieties and Mango Flavoured Beverages from Nuzvid, Eluru District, AP through Flame Photometry ,DOI: 10.48047/ecb/2023.12.7.289,Eur. Chem. Bull. 2023,12(Issue 7), ISSN 2063-5346 PP3515-3523
18. Dr.V.Naga Lakshmi Dept. of Chemistry published research paper – “Thermal management of PV panel through the circulation of a nano-MgO/water-based nanofluid”. Contents lists available at Science Direct, Materials Today: Proceedings Journal homepage www.elsevier.com/locate/matpr .
<https://doi.org/10.1016/j.matpr.2023.09.001> . Page No: 1-6
19. Dr V. Naga Lakshmi Dept. of Chemistry published research paper Structure, DC electrical resistivity, and magnetic properties of Gd³⁺ substituted NiZnCo ferrites system, Inorganic Chemistry Communications, ISSN 1387-7003, 23rd Sep-2023
 - a. <https://doi.org/10.1016/j.inoche.2023.111496>
20. Dr V.Naga Lakshmi Dept. of Chemistry published Chapter on “ Estimation of phytochemicals of malted & unmalted Kodo millet quantitatively”, Advances and applications in applied sciences, published by IMRF institute of higher education & Research, India. ISBN 978-93-90146-57-4,Oct 2023
21. Dr V. Naga Lakshmi Dept. of Chemistry published research paper Ultrasound mediated nano ZnO catalyzed synthesis of new α -aminophosphonates as potential anti-diabetic agents; an in silico ADMET, molecular docking study, α -amylase and α glucosidase inhibitory activity, Synthetic Communications, ISSN 1532-2432, 15th Oct.23
 - a. <https://doi.org/10.1080/00397911.2023.226958>
22. Dr V.Naga Lakshmi Dept. of Chemistry published Chapter on “Quantitative and qualitative estimation of phytochemicals of malted & unmalted sorghum millet”, Advances and applications in applied sciences, published by IMRF institute of higher education & Research, India. ISBN 978-93-90146-57-4,Oct 2023

23. Dr V.Naga Lakshmi Dept. of Chemistry published Chapter on “Predicting molecular properties of Gedunin derivatives through artificial intelligence”. Artificial intelligence in Chemistry: Current trends & Future directions, ISBN978-81-958704-5-5 Nov.23
24. Dr V.Naga Lakshmi Dept. of Chemistry published Chapter on “New analytical method and validation for simultaneous estimation of Alogliptin and Metformin in bulk and solid dosage forms” Chemical and Biochemical approaches for development of Drug targets against modern diseases, ISBN :978-93-340-2528-6,feb2024
25. Dr.V.Nagalakshmi Dept. of Chemistry published paper on Effect of rare earth (Sm³⁺) substitution in mixed Ni-Zn-Co ferrites:Structural, magnetic, and DC electrical resistivity studies in Inorganic Chemistry Communications
26. Dr N Gayatri Devi published research paper –“Study of effect of nitrogen treatment on Nd-Fe-B based powder”. Contents lists available at Science Direct, Materials Today: Proceedings Journal <https://doi.org/10.1016/j.matpr.2023.08.317>, www.elsevier.com/locate/matpr PageNo:1-5
27. Dr N Gayatri Devi Dept. of Chemistry published research paper “Analyzing performance of a solar water heater using nano-ZrO₂/ water-based nanofluid”. Contents lists available at Science Direct, Materials Today: Proceedings Journal homepage www.elsevier.com/locate/matpr. Page No: 1-4. <https://doi.org/10.1016/j.matpr.2023.09.012>
28. Dr N Gayatri Devi Dept. of Chemistry published Chapter on “A study and estimation of phytochemicals in malted & unmalted Quinoa millet by UvVisible spectrophotometer”, Advances and applications in applied sciences, published by IMRF institute of higher education & Research, India. ISBN 978-9390146-57-4, Oct 2023
29. Dr N Gayatri Devi Dept. of Chemistry published Chapter on “Spectrophotometric determination of phytochemicals in malted & unmalted Andukorralu ”, Advances and applications in applied sciences, published by IMRF institute of higher education & Research, India. ISBN 978-93-90146-57-4.,Oct 2023
30. Dr N Gayatri Devi Dept. of Chemistry published Chapter on “A study and estimation of Vitamin B12 in fortified foods using HPLC ”, Advances and applications in applied sciences, published by IMRF institute of higher education & Research, India. ISBN 978-93-90146-57-4.
31. Dr N Gayatri Devi published Chapter on “Accurate prediction of molecular properties and Drug targets using a self –supervised image representation learning framework”.

Artificial intelligence in Chemistry: Current trends & Future directions, ISBN978-81958704-5-5 Nov.23

32. Dr N Gayatri Devi Dept. of Chemistry published Chapter on “Development and validation of Stability-indicating method for the determination of Netarsudil Mesylate by using RP-HPLC “Chemical and Biochemical approaches for development of Drug targets against modern diseases, ISBN :978-93-340-2528-6, feb2024
33. Dr K Swarna Latha Dept. of Chemistry published a book on - Solid and hazardous waste management, first edition published by AGPH Books on 1st June 2023
34. Dr. K. Swarna Latha Dept. of Chemistry published research paper - “Dynamic mechanical, tensile fatigue and water absorption behavior of polyester composites comprises of Amaranthus dubius stem natural fiber and its root waste crystalline cellulose”. Biomass Conversion and Bioreffnery. <https://doi.org/10.1007/s13399-023-04831-4>-Springer
35. Dr. Kurapati. Swarna Latha Dept. of Chemistry published Chapter on “Phytochemical screening and green synthesis of iron oxide and silver nanoparticles from phyllanthus acidus leaves”, Advances and applications in applied sciences, published by IMRF institute of higher education & Research, India. ISBN 978-9390146-57-4, Oct 2023
36. Dr. K. Swarna Latha Dept. of Chemistry published Chapter on “Sustainable green synthesis of biogenic iron oxide, silver nano particles using Lagenaria siceraria leaf aqueous extracts”, Advances and applications in applied sciences, published by IMRF institute of higher education & Research, India. ISBN 978-93-90146-57-4, Oct 2023
37. Dr. K. Swarna Latha Dept. of Chemistry published Chapter on “Artificial intelligence for neural networks and machine learning”. Artificial intelligence in Chemistry: Current trends & Future directions, ISBN 978-81958704-5-5 Nov.23
38. Dr. K. Swarna Latha Dept. of Chemistry published Chapter on “UV spectrophotometric method and validation of Doravirine in bulk and solid dosage forms” Chemical and Biochemical approaches for development of Drug targets against modern diseases, ISBN :978-93-340-2528-6.
39. Dr.K.Swarna Latha Dept. of Chemistry published Graphene: Synthetic and Reduction Approaches in Futuristic Trends in Chemical, Material Science & Nano Technology e-ISBN:978-93-5747-683-6
40. Mrs.KJ.Subashini, Dept. of Chemistry published Chapter on “Validated Spectrophotometric determination of Ketorolac Tromethamine in Pharmaceutical

formulations”. Chemical and Biochemical approaches for development of Drug targets against modern diseases, ISBN :978-93-340-2528-6.,feb2024

41. Ms.N.Madhavi Dept. of Chemistry published Chapter on Spectrophotometric method for the estimation of Remogliflozin Etabonate in Bulk and dosage Forms Chemical and Biochemical approaches for development of Drug targets against modern diseases, ISBN :978-93-340-25286,feb2024

Botany

1. Dr.B.B.R.G.Vijaya Lakshmi Dept. of Botany & P. Brahmaji Rao- in Environmental Sciences, Acharya Nagarjuna University published a paper on “Phytoremediation capability of Emergent plants in metal contaminated sites of Kolleru Lak” in Strad Research Research Journal (2024) ISSN: 0039-2049 VOLUME 11, ISSUE 4, 2024, pp-37-53

Students

1. Ms. Md. Rida Juveria of II BBA has published her poem in an anthology “Soft Days” published by Writers’ Pocket on 8th July 2023.
2. Md.Rida Juveria of II BBA published a Poem titled “Shattered Heart” in the book *Messy Thoughts* in August 2023.
3. M.Likhitha of II BA- EPSW published a Poem titled “My Life’s Melody” in the book *A Perfect Muse* in September 2023
4. **On 13th & 14th October 2023**, Students of III BBA presented and published three research papers on the G20 Summit, ICC Men's World Cup's impact on India's economy, and inflation peaking at a mid-low economy at the International conference on Languages, Social and Management Studies 2023 organized by College in association with IQAC and in collaboration with IMRF Institute of Higher Education, India.

St. Theresa's College, renowned for maintaining exceptional academic standards and a strong dedication to excellence, has truly established itself as a prominent educational institution within our nation's Higher Education sector. By prioritizing the holistic development of our students and instilling them with the necessary skills and values for success, we are fully confident in their abilities to thrive in various aspects of life and achieve their aspirations. We are profoundly thankful to the divine for continuously bestowing unwavering guidance and blessings upon our cherished Theresian community.
